show your true form  
before me. I, Sakura,  
command you under  
our contract. Release!

Only two cards known  
to do this are the Sword,  
which changes the staff  
into a rapier, and the Fly  
which increases the  
size of the staff's wings.  
This gives her the ability to  
fly while also being able to  
use the Staff for anything else.

Sakura needs her staff to  
release clow cards

#### STAFF OF STAR

CHANTS  
ORIGINAL :  
O Key that hides the  
power of the stars,

Using this new staff,  
Sakura transformed  
all the Clow Cards into  
Sakura Cards, which  
significantly increased  
her powers

the Sealing Wand  
changed from a five  
pointed star inside  
a circle due to the fact  
that Sakura's powers  
came from the stars.

#### STAR CARD

EACH CLOW CARD  
HAS ITS OWN  
PERSONALITY

Ranging from  
good-nature to violent  
and its own powers

After Sakura transformed  
a Clow Card into her own  
Sakura Cards, they  
changed drastically in  
the frame and rear figure,  
while the represented
